

PLEASE CONSIDER QRTL IN YOUR WILL

Below are the words to take to your solicitor when next you update your Will should you wish to include Queensland Right To Life as a beneficiary. Sadly the issues of abortion, euthanasia and embryonic stem cell research are unlikely to go away. QRTL needs to be able to continue fighting the good fight – please consider bequeathing to our longstanding pro-life organisation.

GIVE DEVISE AND BEQUEATH

The sum of.....dollars (\$)) to that unincorporated association known as QUEENSLAND RIGHT TO LIFE (the “Association”) or if at the date of my death the same shall not be in existence then to such organisation within the State of Queensland which (whether an incorporated or unincorporated association body corporate or other organisation) shall succeed the Association (the “Successor”). (For the purposes of this clause the expression “Successor” shall mean an incorporated or unincorporated association body corporate or other organisation which shall be formed upon a reconstitution of the Association). If at the time of my death there shall be no successor to the Association then my Trustee or Trustees for the time being shall appoint the incorporated or unincorporated association body corporate or other organisation within the State of Queensland which most closely approximates the objects of the Association as the beneficiary of the bequest pursuant to this clause. Any beneficiary of this bequest shall be entitled to apply the bequest for such purposes as shall be within the objects or powers of such beneficiary and my trustee or Trustees shall not be obliged to see to the application thereof. The receipt of the President, Secretary or Treasurer for the time being of any beneficiary pursuant to this clause shall be a full and complete discharge to my Trustee for the time being.
